Mayor's Message

EIN PROSIT! THANKS AGAIN FOR ANOTHER SUCCESSEFUL OKTOBERFEST "FUN-RAISER"! Our 3rd annual City of Mountain Park Oktoberfest supporting Mountain Park Volunteer Fire Department was another huge success. This year we added axe throwing to the events taking place and it was a great addition to the music, food and German beers/wines. The City once again would like to thank those that helped at our most anticipated event of the year, we couldn't have done it without all of you. Thanks to our sponsor and beverage provider Hofbräu München and General Wholesale. Logan, Lourdes and Jennifer in City Hall who were invaluable in coordinating vendors and participants, making sure all the details were covered. We especially want to thank our volunteers, the "Beeristas" Matt & John Jr, my lovely wife Debbie, the folks from the Civic Club, Watershed Preservation, Elizabeth and all her friends, Gisela & Julie the raffle ladies, the Set-up crew, the Breakdown crews, Shuttle drivers from MPVFR and anyone else I forgot to mention that helped make it successful. Thank you again to all the generous contributors that provided raffle items & Elizabeth once again for her incredible strudel cake.

As we adjust to the colder weather remember it's that time of year with the holidays, football and deer mating season is upon us. Please keep a watchful eye out when driving through Mountain Park as the deer will only have one thing on their minds like "Catching a doe" or "Outrunning a buck" so they will bolt right out in front of you. Let's not forget the young buck from last year that was so distracted he ended up tangled in a hammock and had to be cut lose.

Congratulations to the winners of this year's upcoming elections and many thanks to any outgoing incumbents for serving your community. we look forward to what the newly elected officials have in store for the city of Mountain Park and where they take us in the next four years.

Thanks and Stay Well & Warm.

Jim Still, Mayor

MOUNTAIN PARK VOLUNTEER FIRE & RESCUE
MPVFR- Celebrating more than 40 years of service
YOUR Partner in Public Safety

IT'S NOT JUST ABOUT FIRE!

On November 7th you will be answering the following ballot question:

“Should the City of Mountain Park continue to sponsor and provide funding to Mountain Park Volunteer Fire & Rescue (MPVFR)”?

The MPVFR budget for this fiscal year is \$19,343.00 which is an **average** cost of \$5.57 per household per month. This cost is included in the taxes paid annually by property owners to the City of Mountain Park.

Nationwide less than 4% of all fire department calls are for fire – 64% are for Emergency Medical Services.

We’ve come a long way in a little over a year. Currently, MPVFR has fifteen volunteers on the roster and our certification status is as follows: Firefighter (9), EMS/EMT (11), paramedic (4), instructor (3), hazmat technician (3), driver (4). MPVFR members are asked to volunteer 12 hours per week. Currently, the MPVFR station is staffed for approximately 100 hours per week. As our volunteers complete off-site career training and become certified, more staffing hours are coming soon.

What services does Mountain Park Volunteer Fire & Rescue provide?

<p>Emergency Medical Services: Basic Life Support (BLS): Promptly recognizing life threatening emergencies such as cardiac arrest and stroke. CPR for adults, children and infants. Automatic Electric defibrillation Effective ventilations - breathing assist Remove foreign body obstruction (choking) for adults and infants Wound care: Stopping bleeding with hands tourniquet, etc. Lift assist (Falls) Wellness checks</p>	<p>Fire Services Provided: House fires require at least 15 firefighters. If MPVFR arrives first, they can provide: Basic exterior rescue from windows and doors. External Water application (EWA) “Hit it hard from the yard” - increases safety and buys time for internal rescue. All fire departments have a “two in; two out” buddy system. Two firefighters must be outside a burning structure, for two firefighters to go inside . Single Engine Response Fire Prevention Post Fire inspections</p>	<p>Non-medical services: Fallen tree removal Traffic incident; Jaws of Life Public Works Emergency assist Downed power line monitoring Patrols to identify public safety issues Home safety inspections – smoke alarms Added security at city events First Aid Station at city events Emergency preparedness Free CPR Heart Saver/First Aid/Citizen Emergency and Medical classes for all Fourth of July fire parade Fire Hydrant testing</p>

*We, the volunteers of the Mountain Park Volunteer Fire & Rescue, have been proudly serving this city for 45 years. We are not paid. We are an all-volunteer department. We serve because we love this city and what we do, helping fellow citizens when they need assistance the most! We are working hard to build staff and training. **IT'S NOT JUST ABOUT FIRE!** We work to unite this community for a common cause...helping our neighbors.*

Comparing us to an all paid, career department that has a \$14M budget, is truly comparing apples to oranges. Roswell Fire is great! We are not competing with them. We support them and provide many other services to this city.

*We are asking you to vote, “Yes” to the question that will be on the ballot November 7th. **“Should the City of Mountain Park continue to sponsor and provide funding to Mountain Park Volunteer Fire & Rescue (MPVFR)”?***

We want to continue to serve this great community.

**Sincerely,
 MPVR Volunteers**
